Olathe Public Schools USD #233
ATHLETIC/ACTIVITIES (CO/EXTRA-CURRICULAR)
SUBSTANCE ABUSE AGREEMENT

Students participating in athletics and/or KSHSAA activities will not use or possess tobacco, alcohol, illegal drugs, or substances that are dangerous to a student’s health. Because the use of alcohol, illegal drugs, and tobacco is detrimental to the health and welfare of any student and because the use of alcohol and illegal drugs and the purchase of tobacco is illegal for adolescents in the state of Kansas, Olathe school district administrators, coaches and activity sponsors believe that the use or possession of the above substances is unacceptable.

The use, distribution or possession of tobacco (including electronic cigarettes and vaping devices), illegal drugs and alcohol, on or off school property, will be considered a violation of published policy once the student is a member of an Olathe district athletic team and/or KSHSAA-sponsored activity.

Violation of this regulation may be reported by a school district administrator, a staff member from the student’s school, the police, or upon verification by the parents of the accused student and/or admission of the student athlete or co-curricular student.

.....

As a participant in co-curricular and/or extra-curricular activities at an Olathe public school, I have received, read and agree to the “Implementation Procedures and Minimum Consequences” (printed on the back) about “no use” or possession of tobacco, alcohol, illegal drugs, or substances that are harmful or dangerous to my health. I understand that I may be subject to the consequences listed on the “Implementation Procedures and Minimum Consequences,” which could result in the exclusion from any or all activities.

If a second offense takes place after 365 days from the first, a ‘clean slate’ is granted with first offense consequences implemented. However, if a second or third violation takes place a ‘clean slate’ is not granted for the remainder of the students’ high school career.
